# Cool Park Stuff

## TREE CITY USA

We are proud to be recognized as one of 3000 communities in the country to hold this status. Thanks to efforts from city staff, and many donors and volunteers we continue to be able to offer a healthy sustainable urban forestry program. We are committed to keep our community environmentally healthy through education, innovative programs, and increased emphasis on planting and caring.

## THE TRAIL OF PRESIDENTS

Very few small towns can say they have had 22 presidents that lived or visited their communities. We have researched each United States President and have formed a list of the 22 presidents that have visited Prairie du Chien.

The Oak tree is America's National Tree. Oak trees are being planted because individual oaks have played a part in historical events.

In the annals of military history "Old Ironsides," the U.S. Constitution, took its nickname from the strength of its live oak hull, famous for repelling British cannonballs. President of Mexico, Vicente Fox was educated at Campion Boys School here. Come visit this one-of-a-kind park to find out more!

## HARMONY PARK

This accessible new addition to St Feriole Island Gardens was the result of a generous donation by the Brian Dillman Family. Checkout the cool instruments and perform your own concert!

## ROTARY DISC GOLF COURSE

As a result of the generosity of the Rotary Club of Prairie du Chien, an 18 hole disc golf course is now available on St. Feriole Island. There is no cost

to utilize the course and you can rent discs for \$2 from City Hall or the Outdoor Rec. Center (June-Aug). Take advantage of this great activity that is fun for the entire family! And, while you're there, don't forget to check in at the Rotary Disc Golf Course on Facebook! For more info call 326-7207.

## PDC SKATE PARK

The Children's Advisory Board along with many supporters have added a great skateboard park to the Prairie du Chien Park system. With input from the young people of the Prairie du Chien a design was developed to meet the needs of

local skaters. There is no admission charge to the new park and it is open to skateboards, Rollerblades and BMX style bikes during park hours. It is located in the the Aquatic Park/Fort Fun complex. **Phase II Coming Soon!**

## ADOPT A BENCH

Create a lasting memory - Celebrate someone you love by adopting a bench in their honor. Perfect for weddings, anniversaries, birthdays, business gifts, in memorandum, or just saying "I love you". This is a great way to support St. Feriole Island Park and upgrade the existing benches that have been weathered over the years!

Those who make these donations receive a personalized plaque on the bench. For more information on how you can enhance the park with a lifetime gift, call Parks and Recreation Director, Mike Ulrich at 608-326-7207.

## MEMORIAL TREE PROGRAM

The Parks & Recreation Department works with the St. Feriole Island Gardens to provide many wonderful trees throughout the Island. If you are interested in providing a tree in recognition of a person, location, or event please call Tom Nelson at 326-8602.

Because of many generous donations we would like to thank everyone for their support in providing trees for all to enjoy for many years to come!
